

## 2011 BC TURKEY AND EGG PRODUCERS ASSOCIATIONS' CHARITY GOLF TOURNAMENT

August 31st, 2011

Another successful golf tournament has come and gone. A beautiful day, great food, exceptional golfers, prizes for everyone and all to benefit others! Through the generous donations and sponsorships, tournament participants helped raise a total of \$36,010.51 to supply turkey and egg products to the Union Gospel Mission.

To all our supporters thank you for making this a great day!

We want to say a great big Thank You to the Lilydale staff that continues to provide and cook the delicious Turkey Tailgate Smokies for all. The Tailgate's that we enjoyed for lunch were made here in the Abbotsford plant from our own BC Grown Turkey!

## Specialty Turkey Products for your good health....

JD Farms once again treated the golfers to their own specialty made Turkey Pepperoni at the 12th hole as well as providing the thermal goodie bags for each golfer. Thank you for your continued support!
