Dear Sirs/Mesdames:

Please find enclosed the decision of the British Columbia Farm Industry Review Board panel on the Quota Assessment Tools Supervisory Review. The decision includes both majority and dissenting member decisions.

As is the case with all BCFIRB decisions, this decision speaks for itself. BCFIRB members will not be elaborating or commenting on this decision. Going forward, questions regarding implementation and clarification of scope or intent of the majority decision elements can be directed, in writing, to Kirsten Pedersen, Executive Director. Ms. Pedersen will then work with BCFIRB members as needed to develop a response.

Further information will be forthcoming shortly regarding meetings in support of next steps, as described in the majority decision.

Yours truly,

John Les
